INSTRUMENT NUMBER 88478

General Land Office No. 40640

Mineral Certificate No. 427

THE UNITED STATES OF AMERICA, TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, in pursuance of the provisions of the Revised Statutes of the United States, Chapter six, Title thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey and the Certificate No. 427 of the Register of the Land Office at Coeur d'Alene in the State of Idaho, accompanied by other evidence whereby it appears that THE MOONLIGHT MINING COMPANY did, on the twenty-sixth day of February A.D. 1904 duly enter and pay for that certain mining claim or premises, known as the MOONLIGHT, MOONSHINE, MAYFLOWER, MORNING GLORY, MORNING STAR FRACTION, MOUNTAIN KING, MYSTERY, M., and BADGER CONSOLIDATED lode mining claim, designated by the Surveyor-General as Lot No. 1887, embracing a portion of the un-surveyed public domain in the Leland Mining District, in the County of Shoshone and State of Idaho, in the District of Lands subject to sale at Coeur d'Alene, and bounded, described and platted as follows; with magnetic variation 21° and 40' east for the Moonlight and Morning Glory lode claims, and as hereinafter stated for all other claims.

63/533

# VOLUME 63 OF DEEDS

Beginning for the description of the MOONLIGHT lode claim at corner No.1, a post five inches square marked 1-1897 and 2-1897, from which U.S. Mineral Monument No.1 bears south twenty-two degrees eight minutes and ten seconds west five thousand eight hundred and sixty-three and seven hundredths feet distant, and discovery bears north seventy-seven degrees and forty-four minutes east six hundred and one and seven-tenths feet distant;

Thence, first course, south seventy-two degrees and fifty minutes east one thousand five hundred feet to corner No.2, a post five inches square marked 2-1897, 1-1897 and 5-1897;

Thence, second course, north seven degrees and twenty-three minutes east five hundred and forty and five-tenths feet to corner No.3, a post seven inches square marked 3-1897;

Thence, third course, north seventy-eight degrees and fifty-five minutes west one thousand four hundred and eighty-one and twenty-one hundredths feet to corner No.4, a post six inches square marked 4-1897;

Thence, fourth course, south seven degrees and twenty-three minutes west three hundred and eighty-one and two-tenths feet to corner No.1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Moonlight vein or lode;

Beginning for the description of the MOONSHINE lode claim at corner No.1, a post seven inches square marked 1-1897 and 4-1897 from which said U.S. Mineral Monument No.1 bears south twenty-nine degrees forty minutes and forty-two seconds west five thousand four hundred and sixty-eight and three tenths feet distant and discovery bears north twelve degrees and four minutes east two hundred and ninety-nine and eight tenths feet distant;

Thence, first course, magnetic variation twenty-one degrees and forty minutes east, south seventy degrees and thirty-seven minutes east one thousand four hundred and four and seventy-eight hundredths feet to corner No.1, a post six inches square marked 1-1897 and 3-1897;

Thence, second course, magnetic variation twenty-one degrees and fifty minutes east, north seven degrees and twenty-three minutes east three hundred and four feet to corner No.3, a post six inches square marked 1-1897 and 4-1897;

Thence, third course, magnetic variation twenty-one degrees and fifty minutes east, north fifty eight minutes west three hundred and thirteen and forty-five hundredths feet to corner No.4, a post five inches square marked 4-1897 and 5-1897;

Thence, fourth course, magnetic variation twenty-one degrees and fifty minutes east, north seventy-eight degrees and twelve minutes west four hundred and thirty-three and eighteen hundredths feet to corner No.5, identical with corner No.2 of said Moonlight lode claim;

Thence, fifth course, magnetic variation twenty-one degrees and forty minutes east, north seventy-two degrees and fifty minutes west nine hundred and nine and nine tenths feet to corner No.3, a post six inches square marked 4-1897 and 5-1897;

Thence, sixth course, magnetic variation twenty-one degrees and forty minutes east, south seven degrees and twenty-three minutes east five hundred and ten feet to corner No.1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and four and seventy-eight hundredths feet in length along said Moonshine vein or lode;

Beginning for the description of the MAYFLOWER lode claim at corner No.1, a post five inches square marked 1-1897 and 4-1897, from which said U.S. Mineral Monument No.1 bears south thirty-two degrees, eight minutes and forty seconds west four thousand nine hundred and fifty-three and one tenth feet distant;

Thence, first course, magnetic variation twenty-one degrees and forty minutes east, south sixty-eight degrees and thirty-six minutes east one thousand four hundred and sixteen and twenty-five hundredths feet to corner No.2, a post six inches square marked 1-1897;

Thence, second course, magnetic variation twenty-one degrees and fifty minutes east, north seven degrees and twenty-three minutes east six hundred and twelve and eight-tenths feet to corner No.3, identical with corner No.1 of said Moonshine lode claim;

Thence, third course, magnetic variation twenty-one degrees and fifty minutes east, north seventy degrees and thirty-seven minutes west one thousand four hundred and four and seventy-eight hundredths feet to corner No.4, identical with corner No.1 of said Moonshine lode claim;

Thence, fourth course, magnetic variation twenty-one degrees and forty minutes east, south seven degrees and twenty-three minutes west three hundred and six and four tenths feet to a point from which discovery bears south seventy degrees and thirty-seven minutes east one hundred and thirty-five feet distant five hundred and sixty-one and eighty-two hundredths feet to corner No.1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and four and seventy-eight hundredths feet in length along said Mayflower vein or lode;

Beginning for the description of the MORNING GLORY lode claim at corner No.1, a post five inches square marked 1-1897 from which said U.S. Mineral Monument No.1 bears south twenty-five degrees and twenty minutes west four thousand eight hundred and thirty-four and three tenths feet distant;

Thence, first course, north seven degrees and twenty-three minutes east one thousand and seventy-one and eighty-two hundredths feet to corner No.2, identical with corner No.1 of said Moonlight lode claim, from which discovery bears south sixty-eight degrees and twenty-three minutes east three hundred and five feet distant;

Thence, second course, south seventy-two degrees and fifty minutes east five hundred and ninety and one tenth feet to corner No.3, identical with corner No.6 of said Moonshine lode claim;

Thence, third course, south seven degrees and twenty-three minutes west one thousand and seventy-one and eighty-two hundredths feet to corner No.4, identical with corner No.1 of said Mayflower lode claim;

Thence, fourth course, north seventy-two degrees and fifty minutes west five hundred and ninety and one tenth feet to corner No.1, the place of beginning; the survey of the lode claim as above described extending one thousand and seventy-one and eighty-two hundredths feet in length along said Morning Glory vein or lode;

Beginning for the description of the MORNING STAR FRACTION lode claim at corner No.1, identical with corner No.2 of said Moonlight lode claim, from which said U.S. Mineral Monument No.1 bears south thirty-six degrees eight minutes and fourteen seconds west six

## SHOSHONE COUNTY, IDAHO

thousand one hundred and seventy-six and fifty-two hundredths feet distant, and discovery bears north fifty-five degrees and thirty-five minutes east four hundred and six and six tenths feet distant;

Thence, first course, magnetic variation twenty-one degrees and forty minutes east, north six minutes west five hundred and forty-nine and eighty-one hundredths feet to corner No. 2, a post six inches square marked 2-1897;

Thence, second course, magnetic variation twenty-one degrees and forty minutes east, south seventy-eight degrees and fifty-five minutes east two hundred and twenty-six and nine hundredths feet to corner No. 3, a post six inches square marked 3-1897;

Thence, third course, magnetic variation twenty-one degrees and forty minutes east, north seven degrees and thirty-five minutes east twenty-nine and fifty-six hundredths feet to corner No. 4, a post six inches square marked 4-1897;

Thence, fourth course, magnetic variation twenty-one degrees and forty minutes east, south eighty-three degrees and two minutes east one hundred and ninety-nine and seven tenths feet to corner No. 5, a post six inches square marked 5-1897;

Thence, fifth course, magnetic variation twenty-one degrees and forty-five minutes east, south six minutes east six hundred feet to corner No. 6, identical with corner No. 4 of said Moonshine lode claim;

Thence, sixth course, magnetic variation twenty-one degrees and fifty minutes east, north seventy-eight degrees and twelve minutes west four hundred and thirty-three and eighteen hundredths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending four hundred and thirty-three and eighteen hundredths feet in length along said Morning Star Fraction vein or lode;

Beginning for the description of the MOUNTAIN KING lode claim at corner No. 1, a post seven inches square marked 1-1897 and 2-1897, from which said U.S. Mineral Monument No. 1 bears south forty-nine degrees one minute and thirty seconds west five thousand six hundred and forty-six and eight-tenths feet distant, and discovery bears north twenty degrees and forty-eight minutes east two hundred and ninety-nine feet distant;

Thence, first course, magnetic variation twenty-one degrees and fifty minutes east, south seventy-five degrees and three minutes east one thousand five hundred feet to corner No. 2, a post six inches square marked 2-1897 and 3-1897;

Thence, second course, magnetic variation twenty-two degrees east, north seven degrees and twenty-three minutes east six hundred feet to corner No. 3, a post four inches square marked 3-1897;

Thence, third course, magnetic variation twenty-two degrees east, north seventy-five degrees and three minutes west one thousand five hundred feet to corner No. 4, identical with corner No. 3 of said Moonshine lode claim;

Thence, fourth course, magnetic variation twenty-one degrees and fifty minutes east, south seven degrees and twenty-three minutes west three hundred and four feet to corner No. 5 of said Mayflower lode claim; six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Mountain King vein or lode;

Beginning for the description of the MYSTERY lode claim at corner No. 1, a post seven inches square marked 1-1897 and 2-1897, from which said U.S. Mineral Monument No. 1 bears south forty-nine degrees four minutes and thirty-nine seconds west five thousand one hundred and eighty-four and seven tenths feet distant, and discovery bears north thirty-seven degrees east three hundred and twenty and nine-tenths feet distant;

Thence, first course, magnetic variation twenty-two degrees east, north seven degrees and twenty-three minutes east two hundred and eighty-three and two tenths feet to corner No. 2 of said Mayflower lode claim; six hundred feet to corner No. 2, identical with corner No. 1 of said Mountain King lode claim;

Thence, second course, magnetic variation twenty-one degrees and fifty minutes east, south seventy-five degrees and three minutes east one thousand five hundred feet to corner No. 3, identical with corner No. 2 of said Mountain King lode claim;

Thence, third course, magnetic variation twenty-two degrees east, south seven degrees and twenty-three minutes west six hundred feet to corner No. 4, a post four inches square marked 4-1897;

Thence, fourth course, magnetic variation twenty-two degrees east, north seventy-five degrees and three minutes west one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Mystery vein or lode;

Beginning for the description of the M. lode claim at corner No. 1, a post six inches square marked 1-1897, from which said U.S. Mineral Monument No. 1 bears south forty-nine degrees seven minutes and forty-eight seconds west five thousand one hundred and seventy-five and nine tenths feet distant;

Thence, first course, magnetic variation twenty-two degrees east, north twenty degrees and forty-eight minutes east ten feet to corner No. 2, identical with corner No. 1 of said Mystery lode claim;

Thence, second course, magnetic variation twenty-two degrees east, south seventy-five degrees and three minutes east one thousand three hundred and two and six tenths feet to corner No. 3, a post six inches square marked 3-1897, from which discovery bears south seventy-one degrees and twenty-six minutes west five hundred and forty and five tenths feet distant;

Thence, third course, magnetic variation twenty-two degrees east, south twenty degrees and forty-eight minutes west six hundred feet to corner No. 4, a post six inches square marked 4-1897;

Thence, fourth course, magnetic variation twenty-two degrees east, north forty-nine degrees and forty-six minutes west one thousand three hundred and seventy-four and eight hundredths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand three hundred and twenty-one and six tenths feet in length along said M. vein or lode;

Beginning for the description of the BADGER lode claim at corner No. 1, a quartzite stone 7 x 11 x 24 inches marked 1-1897, with a cross (x) at corner point, from which said U.S. Mineral Monument No. 1 bears south sixty-six degrees forty-three minutes and twenty-three seconds west five thousand two hundred and twenty-two and sixty-seven hundredths feet distant;

VOLUME 63 OF DEEDS

Thence, first course, magnetic variation twenty-two degrees east, south fifty-eight degrees and sixteen minutes east one thousand five hundred feet to corner No. 2, a post six inches square marked 2-1897;

Thence, second course, magnetic variation twenty-two degrees east, north twenty degrees and forty-eight minutes east six hundred and eleven feet to corner No. 3, a post five inches square marked 3-1897, from which discovery bears south forty-eight degrees and forty-eight minutes west three hundred and thirteen and eight-tenths feet distant;

Thence, third course, magnetic variation twenty-two degrees east, north fifty-eight degrees and sixteen minutes west one thousand five hundred feet to corner No. 4, a quartzite stone 7 x 12 x 26 inches marked 4-1897 with a cross (x) at corner point, situate on line 3-4 of said M. lode claim;

Thence, fourth course, magnetic variation twenty-two degrees east, south twenty degrees and forty-eight minutes west one hundred and forty-five and two tenths feet to corner No. 4 of said M. lode claim; six hundred and eleven feet to corner No. 1, the place of beginning, the survey of the lode claim as above described extending one thousand five hundred feet in length along said badger vein or lode;

Said Lot No. 1897 containing one hundred and forty-one acres and three hundred and seventeen thousandths of an acre of land, more or less.

NOW KNOW YE, That there is therefore hereby granted by the United States unto the said The Moonlight Mining Company and to its successors and assigns, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said Moonlight, Lonesome, La Flower, Morning Glory, Morning Star Fraction, Mountain King, Mystery, X. and Badger veins, lodes or ledges, and of all other veins, lodes and ledges throughout their entire depth, the tops or apices of which lie inside of the surface boundary lines of said granted premises in said Lot No. 1897 extended downward vertically, although such veins, lodes or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises; Provided, that the right of possession to such outside parts of said veins, lodes or ledges, shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said Lot No. 1897, so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes or ledges; and provided further, that nothing herein contained shall authorize the grantee hereto enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities and appurtenances of whatsoever nature therunto belonging unto the said grantee above named and to its successors and assigns forever: subject nevertheless to the above mentioned land to the following conditions and stipulations;

FIRST. That the premises hereby granted, with the exception of the surface, may be entered by the proprietor of any other vein, lode or ledge the top or apex of which lies outside of the boundary of said granted premises, should the same in its air be found to penetrate, intersect or extend into said premises, for the purpose of extracting and removing the ore from such other vein, lode or ledge.

SECOND. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs and decisions of the courts, and there is reserved from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

THIRD. That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, drainage and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Theodore Roosevelt, President of the United States of America, have caused these letters to be made patent, and the seal of the General Land Office to be hereunto affixed.

GIVEN under my hand at the City of Washington the first day of March in the year of our Lord one thousand nine hundred and five, and of the Independence of the United States the one hundred and twenty-ninth.
